Once upon a time, a big and beautiful cock (Perico) was going to get married, so he was going to celebrate a party. He invited lots and lots of other cocks and hens. And of course Perico also invited his nephew, Kiroco.

As Kiroco was living far away from Perico’s house, he woke up very early in the morning and with his best clothes, he started walking to the wedding.

However he found a cow’s pooh full of seeds, and he was thinking whether to eat the seeds or not:

- Oh, I am so hungry, but if I eat the seeds, my beak will get dirty and I will not be able to enter into my uncle Perico’s wedding.
- On the other hand, I do not eat the seeds, another one will do it and I will be hungry all the way to the wedding.

After a while, he decided to eat the seeds and….. his beak got dirty!!!

He carried on walking and he found a …flower, and he asked to the flower:

- Flower, flower, clean my beak, so I can go to my uncle Perico’s wedding.

But the flower answered:

- Ah, no, no, no, I do not want to. You should not have got dirty!!!

Kiroco carried on walking and he found a….sheep, and he told the sheep:

- Sheep, sheep, go and eat the flower, who did not want to clean my beak to go to my uncle Perico’s wedding.

But the sheep answered:

- Ah, no, no, no, I do not want to. You should not have got dirty!!!

Very disappointed, our friend was walking again and after some meters he found a….wolf, and he told the wolf:
• Wolf, wolf, go and eat the sheep, who did not want to eat the flower, who did not want to clean my beak to go to my uncle Perico’s wedding.

But the wolf answered:

• Ah, no, no, no, I do not want to. You should not have got dirty!!!

Kirico did not want to argue with the wolf, so he walked again and he found a stick, he told to the stick:

• Stick, stick, go and hit the wolf, who did not want to eat the sheep, who did not want to eat the flower, who did not want to clean my beak to go to my uncle Perico’s wedding.

But the stick answered:

• Ah, no, no, no, I do not want to. You should not have got dirty!!!

Very sad, the cock was walking when he found a….candle, he told the candle:

• Candle, candle, go and burn the stick, who did not want to hit the wolf, who did not want to eat the sheep, who did not want to eat the flower, who did not want to clean my beak to go to my uncle Perico’s wedding.

But the candle answered:

• Ah, no, no, no, I do not want to. You should not have got dirty!!!

He carried on with his way, and he found a river, and Kirico told the river:

• River, river, go and put out the candle, who did not want to burn the stick, who did not want to hit the wolf, who did not want to eat the sheep, who did not want to eat the flower, who did not want to clean my beak to go to my uncle Perico’s wedding.

But the river answered:

• Ah, no, no, no, I do not want to. You should not have got dirty!!!

Very close to the river, there was a donkey and Kirico told him:

• Donkey, donkey, drink the river, who did not want to put out the candle, who did not want to burn the stick, who did not want to hit the wolf, who did not want to eat the sheep, who did not want to eat the flower, who did not want to clean my beak to go to my uncle Perico’s wedding.

But the donkey answered:

• Ah, no, no, no, I do not want to. You should not have got dirty!!!

But this time, Kirico did not stop. He kept asking, one time and another time, and another time
and another. So, the donkey that was fed up with Kirico, kicked him into the river.

Now the beak was clean, but the clothes were wet, so after a long way, Kirico could not go into the party.

THE END
